Chapel Services

Students have the opportunity for chapel worship each week. Students in grades K-8 typically have chapel on Wednesdays from 8:20-9:00 a.m. Weather permitting, chapel worship will take place in the St. John's Lutheran Church sanctuary. In case of bad weather, chapel services will be conducted in the gymnasium.

These services provide the opportunity for our students to join with their Brothers and Sisters in Christ to worship and praise our Father in Heaven, to learn proper behavior in God's House, and to develop a sense of Christian stewardship regarding their whole way of living.

One of the ways we cultivate a sense of Christian stewardship in our students is by providing them an opportunity to share a financial offering during chapel worship each week. An offering envelope will be given to each child prior to the day of chapel worship so that he can learn the habit of systematic Christian giving and realize that they, too, have an important role to play in the mission and ministry of the Church of Jesus Christ. The monies collected during these chapel worship offerings will be dedicated to various mission projects.
