

St. John's Lutheran School: Corporate Sponsorship

St. John's Lutheran School is a 176-year-old school located in Marysville, Ohio. Our school exists in Christ to educate and equip students by developing the mind and engaging the heart to impact their communities through the Gospel. Our mission is to equip the family of God to joyfully and boldly make Disciples of Christ as we: KNOW Jesus and one another, GROW to be more like Him, and SOW His love in word and deed.

Lutheran Education Advancement Partnership (LEAP) exists to engage St. John's family, friends, alumni, and the community to promote Lutheran education and the mission of St. John's Lutheran School. LEAP acts as an important funding source for the school, supporting causes such as the Board of Christian Education's tuition assistance program, purchasing much needed equipment for the school, and providing funds for the religious curriculum.

We would love to partner with your organization to help promote your business, while you can be a part of helping to provide a high-quality Christian Education to local school children. Your generous donation is also tax deductible.
